Testimonials

“The Next Steps course was a joyful experience packed full of insights and learning. For me it was a uniquely valuable opportunity to workshop presenting ideas and for me to hone a fundraising pitch. It's the kind of work that feels like pushing a boulder up a mountain if you struggle alone but in Jo's accomplished hands it was fun!”

Ally Scott, Disability Resources Centre – Advocacy

“The ‘Next Steps’ course with Jo was an incredible experience where I was able to hone the skills I'd learned in my initial training course, this time around, with much less anxiety! Once again, Jo's extremely positive coaching helped me to push through to a point in which I am now no longer avoiding public speaking, but tackling it head on. Thank you, Jo!”
